

## FIVE PAPERS FROM THE C·I·B PLANT INVASIONS GROUP INCLUDED IN *EMAPI10*

### SPECIAL ISSUE OF *BIOLOGICAL INVASIONS*

In August 2009, the C·I·B hosted the 10th International Conference on the “Ecology and Management of Alien Plant Invasions” (EMAPI10) in Stellenbosch. A sample of 15 papers from EMAPI10 was compiled in a special issue of the international journal *Biological Invasions* entitled “[Plant invasions: theoretical and practical challenges](#)”. The special issue included numerous contributions from C·I·B-affiliated researchers, reflecting the diversity of ongoing research on plant invasions at the centre. Included in the special issue were five papers from Dave’s Richardson’s group based at the C·I·B at Stellenbosch University.
