SCHEDULED IT MAINTENANCE: 13-17 DECEMBER

Due to conducting scheduled maintenance on various components of the IT infrastructure over the period some downtime can be expected.

*Maintenance will be taking place from **Friday, 13 December 17:00 until Tuesday, 17 December at 05:00** and systems are affected by this and can be partly or in their entirety, unavailable. Due to the need the necessity for thorough testing of systems and services the possibility exists for the following week.*

We will try our best to limit interruptions to a minimum. For inquiries please contact the IT Service desk or make a request on the [ICT Partner Portal](#).
