

Summer Vacation Student Programme

2014

Company Overview

- Founded in South Africa in 1895, SABMiller has grown to become one of the world's largest and most respected brewing companies. With operations in over 75 countries, we have more beer brands in the world's top 50 than any other brewer and we rank among the top three brewers in more than 30 countries. Every minute of every day throughout the world, close to 130,000 bottles of SABMiller beer are sold.
- SABMiller's history is one of exceptional growth and returns to shareholders. With our global footprint of over 70,000 employees, strong portfolio of brands and spread of operations across developed and developing markets, SABMiller is well placed to continually improve on this growth.
