

Dear Applicant

Thank you for applying to the Stellenbosch University (SU) 2024 residence waiting list.

As you may know, the University of Stellenbosch has implemented a new student information system. This means residence waiting lists on the old student information system has now closed.

If you have not received placement by the 31st of December 2023 and still wish to be considered from the waiting list, you will need to apply to the waiting list on the new student information system (SunStudent) between 9 January 2024 and 31 January 2024.

Please follow the next steps to register on this waiting list on SunStudent:

1. Go to <https://student.sun.ac.za/>
2. Sign in on your applicant portal
3. Click on "Student Accommodation"
4. Click on "Apply for Waiting List"
5. Choose "Application Waiting List" under waiting list type
6. Save

Your position on the waiting list will be available on my.sun.ac.za (> Undergraduate > Accommodation > Waiting list ranking) from 11 January 2024.

Please keep in mind that space is limited and there is no guarantee that you will be allocated a place in residence or in a residence of your choice from the waiting list. Also note that placements are still being done according to the criteria set out in the residence placement policy.

As mentioned above this waiting list expires on 31 January 2024. A new current student waiting list will then open for all students who have successfully registered. All registered students who still wish to apply to the current student waiting list in February, can do so by going to:

1. Go to <https://student.sun.ac.za/>
2. Sign in on your student portal
3. Click on "Services & Communities"
4. Click on "Apply for Waiting list"
5. Select the residence of choice
6. Save

Warm Matie Greetings
