CAREER ADVICE SERVICE

GRADE 11 AND 12 CAREER ADVICE

Prospective students are confronted with a variety of programme and career options. For this reason, Stellenbosch University wants to assist prospective students in making realistic programme and career choices. Recommendations are made based on the client's unique profile and can therefore include programmes at various higher education institutions. This opportunity is offered to all prospective students, regardless of their institution of choice.

GRADE 9 SUBJECT CHOICE GUIDANCE

Various factors play a role in the process of making a successful career choice. One of the first considerations is a realistic and informed subject choice for grades 10 to 12. A learner's subject choice can have significant implications for a future career. Often, there is a lack of understanding regarding the important considerations that contribute to making the correct subject choice. To support learners in their subject choice process, Stellenbosch University offers professional subject choice guidance to grade 9 learners. Recommendations are made objectively, impartially, and in line with the learner's profile and their school's subject choice package. The learner is also made aware of their choice's impact on tertiary study programmes and/or careers.

GENERAL INFORMATION ABOUT THIS SERVICE

- Assessments are offered at our office in Stellenbosch or online. The psychometry, feedback and report are exactly the same in both contexts. The online assessment and feedback will be conducted via MS Teams.
- The process includes a 4-hour psychometric assessment of personality, aptitude and interests, a 1-hour individual feedback session, and a report of the results and recommendations.
- Testing starts at 8:30 until 12:30. Feedback is scheduled on the same day after a lunch break.

BOOKINGS

- Mondays – Fridays: R2850; Saturdays: R3350 per client.
- We only assess learners from ages 14 – 21 years.

LOOPBAAN- ADVIESDIENS

GRAAD 11 EN 12 LOOPBAANADVIES

Voornemende studente word gekonfronteer met 'n verskeidenheid program- en loopbaanopsies. Om hierdie rede wil die Universiteit Stellenbosch voornemende studente help om realistiese program- en beroepskeuses te maak. Aanbevelings word gemaak op grond van die kliënt se unieke profiel en kan dus programme aan 'n verskeidenheid hoërsonderwysinstellings insluit. Hierdie geleentheid word aan alle voornemende studente gebied, ongeag hul instelling van keuse.

GRAAD 9 VAKKEUSEVOORLIGTING

Verskeie faktore speel 'n rol in die proses om 'n suksesvolle beroepskeuse te maak. Een van die eerste oorwegings is 'n realistiese en weldeurdagte vakkeuse vir graad 10 tot 12. 'n Leerder se vakkeuse kan beduidende implikasies vir 'n toekomstige loopbaan hê. Dikwels is daar 'n gebrek aan begrip rakende die belangrike oorwegings wat bydra tot die korrekte vakkeuse. Om leerders in hul vakkeuseproses te ondersteun, bied die Universiteit Stellenbosch professionele vakkeusevoorligting aan graad 9-leerders. Aanbevelings word objektief, onpartydig en in lyn met die leerder se profiel en hul skool se vakkeusepakket gemaak. Die leerder word ook bewus gemaak van hul keuse se impak op tersiêre studieprogramme en/of loopbane.

ALGEMENE INLIGTING OOR HIERDIE DIENS

- Assesserings word by ons kantoor in Stellenbosch of aanlyn aangebied. Die psigometrie, terugvoer en verslag is presies dieselfde in beide kontekste. Die aanlyn-assessering en -terugvoer sal deur MS Teams gedoen word.
- Die proses sluit 'n 4-uur psigometriese assessering van persoonlikheid, aanleg en belangstellings, 'n 1-uur individuele terugvoersessie, en 'n verslag van die resultate en aanbevelings in.
- Toetse vind plaas vanaf 8:30 tot 12:30. Die terugvoersessie word op dieselfde dag na 'n middagete-breek geskeduleer.

BESPREKINGS

- Maandae – Vrydae: R2850; Saterdag: R3350 per kliënt.
- Ons assessee slegs leerders in die ouderdomsgroep van 14 – 21 jaar.
