Koshuisaansoeke sluit op 31 Julie en ongelukkig aanvaar ons geen laat aansoeke nie

---

Question 3: What are the chances of being placed in the residence of your choice?
Applications for a residence place exceed that which we can accommodate. This is why we cannot guarantee that you will receive a place in a residence or a place in a residence of your choice as space is limited and subjected to a selection process.

Vraag 3: Wat is die sluitingsdatum vir koshuis aansoeke?
Ons ontvang gewoonlik meer aansoeke as wat daar plek beskikbaar is en daarom kan ons ongelukkig nie waarborg dat jy 'n plek in die koshuis of 'n plek in die koshuis van jou keuse sal kry nie, koshuis plek beperk en onderworpe aan 'n keuringsproses is.

Question 4: I am accepted to a programme at Tygerberg, may I apply for residence on the Stellenbosch campus?
If your first study choice is subject to extensive selection (such as a programme in the Faculty of Medicine and Health Sciences), you may indicate a second choice as well. In this way, you will still be considered for residence placement, even if you are not accepted for your first study choice. You will however get the preference on the application form to apply for residence at Tygerberg should you be accepted for a programme in Health Science.

Vraag 4: Ek is aanvaar vir ‘n program op Tygerberg, mag ek aansoek doen om verblyf op Stellenbosch kampus?
Indien jou eerste studiekeuse onderworpe is aan uitgebreide keuring (soos ’n program in die Fakulteit Geneeskunde en Gesondheidswetenskappe), kan jy ook ’n tweede studiekeuse aandui. Só verseker jy dat jy steeds vir koshuisplek oorweeg word, selfs al word jy nie vir jou eerste studiekeuse aanvaar nie. Jy sal wel die voorkeur kry op die aansoekvorm om keuse uit te oefen vir verblyf op Tygerberg vir ‘n programe in Gesondheidswetenskappe

Vraag 7: Ek is aanvaar vir BAgric (Elsenburg) kan ek geplaas word in koshuis op Stellenbosch?
BAgric (Elsenburg)-studente doen aansoek om koshuisplasing op Elsenburg, waar die program aangebied word.

The placement process will be finalised by 31 October. By that time, you should know whether you have received a residence place. If your application was unsuccessful, we will confirm this after 31 October.

Question 9: What are the main criteria for residence placement?

Vraag 9: Wat is die hoof kriteria vir koshuisplasing?
Die Universiteit gebruik akademiese prestasie as hoofoorweging om die eerste rondte koshuisaanbiedings aan eerstejaars op Stellenbosch-kampus te maak.
Aanbiedinge in dié kategorie berus op jou graad 11-eindeksamenpunte indien jy in jou graad 12-jaar aansoek doen.

Question 10: Are there any other criteria for placement?
The University will also consider special placements, such as placements of students with bursaries based on financial need, sports placements, residence discretionary placements, students in extended degree programmes and students with physical disabilities that impact their mobility as well as diversity factors,

Vraag 11: Hoe werk dit as ek koshuisplek ontvang?
Jy sal 'n reserveringsaanbod ontvang wat vra dat jy 'n aanvaardingsbedrag van R5 100 binne 30 kalenderdae betaal. Dit beteken nie dat jy in 'n spesifieke koshuis geplaas is nie.

Question 12: I cannot afford the acceptance amount within the given time frame.
Should the University not receive your acceptance amount by the stipulated deadline, we will assume that your application for residence placement may be cancelled. Your application status on www.maties.com will then change to "cancelled". You are also welcome to contact the residence placement office for an arrangement.

Question 13: I am in the process of applying for financial assistance, will the accepted amount be waived?
If you receive financial assistance based on financial need, you can request to be exempted from the acceptance fee and, when you have proof of your bursary, be reconsidered for placement based on places available.

Vraag 13: Ek is in die proses om aansoek te doen om finansiële ondersteuning kan ek versoek op kwytsgelding vir die aanvaardingsbedrag?

Question 16: I am not placed in the residence of my choice can I request to transfer?
Residence place is limited, and this is why we cannot guarantee that you will receive a placement in the residence of your choice. We aim to promote diversity and to have an even spread of students from diverse backgrounds across all our residences. Therefore, we follow the guidelines in our residence placement policy and will unfortunately not be able to consider any transfers to other residences.

Vraag 16: Ek is nie in my voorkeur koshuis geplaas nie kan ek versoek om te skuif.
Koshuisplek is beperk en daarom kan ons ongelukkig nie waarborg dat jy 'n plek in 'n koshuis van jou keuse sal kry nie. Ons streef daarna om in al ons koshuise diversiteit te bevorder en studente uit verskillende agtergronde eweredig oor koshuise te versprei. Daarom volg ons die riglyne van die koshuisplasingsbeleid en kan ons ongelukkig geen oorplasings of verskuiwings na ander koshuise oorweeg nie.

Question 17: Do I have an advantage if any of my family members completed their degrees at SU?
The University treats all students alike, irrespective of whether their parents also studied at Stellenbosch and does not give preferential treatment based on alumni status.

Die Universiteit behandel oud-Maties se studentekinders dieselfde as alle ander studente en verleen nie voorkeur op grond van alumnistatus nie.

Places are very limited, and we therefore strongly recommend that you also consider private accommodation options:
www.maties.com > accommodation > private accommodation.

Vraag 20: Wat gebeur as ek nie koshuisplek kry nie?
Indien jy teen 31 Oktober nog nie 'n gereserveerde of bevestigde plek in 'n koshuis gekry het nie, was jou aansoek om koshuisplasing onsuksesvol. Jy sal aan die begin van November bevestiging hiervan ontvang. Jy sal nou op die waglys kan registreer. Hou asseblief ingedagte dat 'n plek in 'n koshuis of 'n koshuis van jou keuse nie op hierdie stadium gewaarborg kan word nie.
