Faculty of Arts and Social Sciences

The Faculty of Arts and Social Sciences is a creative and interactive learning environment where students acquire the skills they need to engage critically and constructively with our society. With 14 undergraduate degree programmes and a range of postgraduate degree programmes on offer, students have the opportunity to develop as intellectually curious, independent and informed thinkers, as well as engaged citizens.

Fakulteit Lettere en Sosiale Wetenskappe

Die Fakulteit Lettere en Sosiale Wetenskappe is 'n kreatiewe en interaktiewe leeromgewing waar studente die vaardighede verwerf wat dit verg om krities en konstruktief met ons samelewing om te gaan. Met 14 voorgraadse graadprogramme en 'n reeks nagraadse graadprogramme waaruit hulle kan kies, bied ons aan studente die geleentheid om tot intellektueel ondersoekende, onafhanklike en ingeligte denkers te ontwikkel, asook tot betrokke landsburgers.
