DEPARTMENT EDUCATION POLICY STUDIES

WHAT DO WE OFFER?

As a research-led department, our activities are informed by the following strategic orientations:

- strong alignment between the Department's research agenda and teaching and service priorities and the University's vision and strategic objectives;
- emphasis on integrating research, teaching and service;
- epistemology and knowledge construction as central concerns;
- a strong culture of debate and critical deliberation;
- active promotion of diversity among staff and students;
- strong national and international networks;
- research focus areas of intellectual relevance in the fields of education, development, democracy and leadership.
