General logistics

UNIVERSAL ACCESS

We'll gladly provide universal access to guests with mobility challenges who need parking close to faculty venues. Please inform us ahead of time by sending an email to maties@sun.ac.za.

PARKING

Stellenbosch:

- All the security booms at our on-campus parking areas will be lifted (as they usually are on a Saturday), so you should be able to find centrally located parking.
- There will also be ample parking available at the Faculty of Engineering. This parking area is accessible from Bosman Street and is within walking distance from all the other Stellenbosch-based faculties as well.
- To be safe, do not leave any valuables inside your vehicle in plain sight of passers-by.
- Please do not park on sidewalks or in non-designated parking areas, as this might attract a fine from municipal law enforcement.
- Note that there may be sporting events taking place at Coetzenburg Sport Complex, which might affect traffic flow to and from Stellenbosch. Please allow sufficient time to get to your venues.
- If you choose to park around Coetzenburg sport complex, look out for the shuttle service running to and from the central campus.

Tygerberg:

- Please enter through the main campus entrance. Ample parking is available close to the Faculty of Medicine and Health Sciences' Education building, where most of the day's activities will take place.

REFRESHMENTS

On Stellenbosch campus, refreshments will be available for sale:

- at the Neelsie Student Centre (central campus);
- at the mobile coffee vendor in Ryneveld Street;
- at the mobile coffee vendor at the Faculty of Engineering; and
- inside the SU Konservatorium.
- Guests attending the Open Day on Tygerberg campus will be able to purchase refreshments in the Tygerberg student centre.

MATIE SHOP

Purchase the latest Maties apparel at the Matie Shop in the Neelsie Student Centre or at the mobile stall in Ryneveld Street.

ASSISTANCE ON THE DAY

- You will find ambassadors along all major Open Day routes running between the different venues. They will be identifiable by their maroon bibs.
- All faculty staff will also be wearing lanyards and should be able to assist.
- Medical assistance will be available on both Stellenbosch and Tygerberg campus. For assistance on Stellenbosch campus, please go to the Konservatorium, 45 Victoria Street. On Tygerberg campus, the service will be available outside the Tygerberg student centre building.

Activities for the day

General session

Join us for a one-stop all-you-need-to-know session that has been specifically structured to offer a general overview of the University, together with step-by-step guidance on how to navigate the application process. Get all the information you need on how to apply, accommodation options, and student funding.

Specialised walk in-sessions

The **Disability Unit (DU)** facilitates a range of support services for students with disabilities and any specific learning needs. A walk-in service will be offered at Den Bosch (39 Victoria Street, Huis Simon Nkoli House) from **10:00 to 15:00**. Come meet the staff and have your questions answered.

International students and students following international curricula

Come meet the application officers for **South African students** following international and other curricula (other than NSC and IEB) and get answers to any questions pertaining to your application. **International students** will also be able to meet the team from SU International, who offer support to our inward mobility students. These services will be available between 09:00 and 13:00 in the Krotoa building (enter from Victoria Street).

Additional offerings

Young Minds programme

A nine-month career-focused gap year programme certified by Stellenbosch University and designed to equip school-leavers with the skills, knowledge and mindset to be better prepared for their next chapter – the world of study, work and life. Find out more by attending the information sessions and meet the team on the Rooiplein to get answers to all your questions.

↓ Some general pointers for booking your ticket

The Open Day is a **free event**. (Quicket will still refer to payment, but you won't be charged.) Nevertheless, to avoid disappointment and ensure guests' comfort and safety, booking is essential for **tours and information** sessions.

Consider the following when booking your ticket:

- 1** Bookings are restricted to one student and two adults. (In the case of twins or multiple siblings, please make two bookings.)
- 2** Carefully consider the programme and allow enough travel time between sessions and venues.
- 3** Doors will close 5 minutes after the session has started, after which no guests will be permitted to enter the venue.
- 4** No guests will be permitted to leave sessions early, as this disturbs fellow guests and the presenter.
- 5** Consult the campus map to determine your routes and timing between venues.
- 6** Should you be unable to attend a session (or the day as a whole), please cancel your seat to allow others the opportunity to attend.

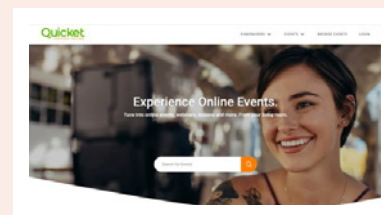

How to navigate the QUICKET platform

Consult this 'How to' guide for instructions on navigating the Quicket platform:

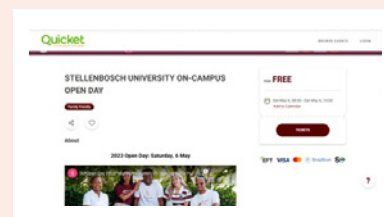

To get you started, follow these simple steps:

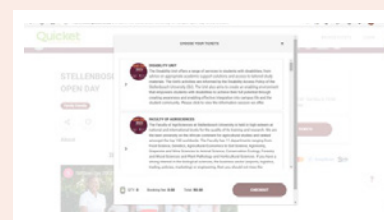

- ➔ Go to the Quicket home screen.

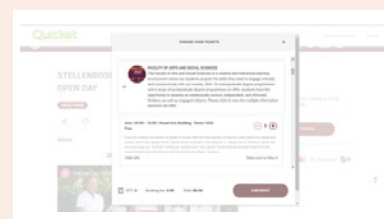

Use "Stellenbosch University | Open Day" as your search keywords.

Click on the **tickets** button for the tickets screen to open up.

Choose the faculty or general session you wish to attend. REMEMBER to click on "Show info" for a description of the session.

Select the ticket you would like to purchase, and follow the steps as prompted.

How to cancel your tickets:

Step 1

You can cancel your order right from your Quicket account. Just **log into your Quicket account** with the email address that was used to make the booking, and go to My Tickets. (Need help with your password? **Click here.**)
