

Suggested FAQ's

1. What sports clubs are available at Maties?

Maties Sport offers a wide range of sporting codes for students of all levels, from recreational sports to high-performance competition. You can explore the full list of clubs on the Maties Sport website.

2. Do I need experience to join, or can beginners join?

Both experienced athletes and beginners are welcome. Some clubs offer recreational or development opportunities for newcomers, while others may require previous experience for high-performance and competitive teams.

3. How do I register for a club today?

Students can register directly with the relevant club during registration periods. Club representatives are also available during student activation events such as the Welcome Fair to assist with sign-ups.

4. Are there trials or selections for teams?

Many clubs host trials or selection sessions for competitive teams. To stay informed about trial dates, training schedules, and announcements, students are encouraged to follow the official Maties Sport social media channels as well as the social media platforms of the specific sporting codes.

5. What does it cost to join a sports club?

Membership fees vary between clubs. Each club determines its own membership costs depending on the sport, facilities, and level of participation.

6. How often do teams train during the week?

Training schedules differ between clubs and teams. Once registered, students will receive detailed information about training times and commitments from the respective club.

7. Can I join more than one sports club?

In some cases, students may join more than one club, provided that training schedules and commitments do not conflict. It is recommended to confirm with the relevant clubs.

8. Where are the training facilities located?

Maties Sport offers world-class training facilities across the campus. Students can explore the various venues through guided tours or by visiting the Maties Sport facilities page.

9. Do I need to buy my own equipment or kit?

Students are responsible for purchasing their own personal equipment and playing kit.

10. What opportunities are there to compete in tournaments or varsity competitions?

Top-performing athletes have the opportunity to represent Maties in prestigious competitions such as the Varsity Cup/Varsity Sports and tournaments organised by University Sport South Africa (USSA), as well as other regional and national competitions.
