

**2016 PRASA-RobMech
International Conference**
30 November to 2 December 2016
Stellenbosch University, South Africa
www.sun.ac.za/prasarobmech2016

CALL FOR SPONSORS

The 2016 PRASA-RobMech International Conference incorporates the 27th annual Symposium of the Pattern Recognition Association of South Africa (PRASA) and the 9th Conference of Robotics and Mechatronics (RobMech). It aims to bring together South African and international academics and postgraduate students in the fields of pattern recognition, robotics and mechatronics, who will share their latest work with the research community. The conference will be held on 1 and 2 December 2016 at the Department of Electrical and Electronic Engineering at Stellenbosch University (www.ee.sun.ac.za). The main conference will be preceded by a day of workshops/tutorials on 30 November 2016. The conference will feature two renowned international keynote speakers and between 100 and 150 people are expected to attend.

Sponsorships

The 2016 PRASA-RobMech organisers warmly welcome sponsors who provide funds that contribute to the success of the conference, as well as helping to keep the conference affordable for postgraduate students. Providing sponsorships will give companies the opportunity to gain exposure and interact with the research community.

A number of sponsorship options are given below. For each of these, the sponsor will receive the following benefits:

- The company logo and link will be displayed on conference website
- Promotional material may be included in the registration pack handed out to attendees
- The company logo will be printed on the conference programme handed out at registration

The conference organisers are also open to negotiate other sponsorship options and associated benefits.

Sponsorship Options

Option 1: Sponsorship of conference dinner (value: R25 000)

This option comprises a partial sponsorship of the conference dinner. Additional benefits to the sponsor include:

- Prominent placement of logo and link on conference website
- Opportunity to speak to the audience at the dinner
- Exhibition space and opportunity to interact with the attendees for the duration of the dinner

Option 2: Sponsorship of lunch or welcome reception (value: R10 000)

For this option, one of the lunches during the main conference or the welcome reception at the start of the main conference will be sponsored. Additional benefits to the sponsor include:

- Acknowledgement of the sponsor at sponsored event
- Exhibition space and opportunity to interact with the attendees for the duration of the lunch/reception

Option 3: Exhibition booth (value: R10 000)

During the main conference, a section of the conference venue will be used for exhibition booths. Company representative will be able to man the booth, display company information, and interact with the attendees for the duration of the main conference

Option 4: Sponsorship of conference items

A limited number of conference items provided to attendees may be donated by a sponsor (flash drive containing the conference proceedings, conference bag, etc.). The sponsor may add its company logo to the donated item. The value of these sponsorships will depend on the value of the items.

Contact details

For more information about the sponsorship options, please contact the conference organisers using the following email address. For more information about the conference, visit the conference website below.
