INVOLVEMENT IN PUBLIC INTEREST LITIGATION

As a Practising Attorney:

I was based in the public interest department at the law firm where I was employed, and my practice centred on human rights and public interest cases. These included mounting legal challenges to the forced removal of communities under *apartheid* legislation, assisting disadvantaged communities to gain security of tenure and access to housing and services, and political trials (including work on the 'Upington 26' case).

I also gained a degree of general litigation experience, and was also responsible as a professional assistant for supervising the work of various articled clerks/candidate attorneys at the firm.

During my employment at the Community Law Centre, UWC:

1996: Co-author of *Brief to the Constitutional Court in defence of the provisions concerning socio-economic rights during the certification process*, Community Law Centre (UWC), Legal Resources Centre, and Centre for Applied Legal Studies (University of the Witwatersrand).

2001: Co-researched *amici curiae* brief of the Community Law Centre and the SA Human Rights Commission in the Constitutional Court case of *Government of the Republic of South Africa and Others v Grootboom and Others* 2001 (1) SA 46 (CC).

2002: Co-researched and involved in drafting *amici curiae* brief of the Community Law Centre and the Institute of Democracy in South Africa (IDASA) in the Constitutional Court case of *Minister of Health and Others v Treatment Action and Others* 2002 (5) SA 721 (CC).

2003: Researching and co-ordinating the Community Law Centre's intervention as joint *amici curiae* in the Supreme Court of Appeal and the Constitutional Court in the case of *President of the Republic of South Africa v Modderklip Boerdery* 2005 (5) SA (3) (CC).

2003: Member of litigation committee of the Alliance for Children's Entitlement to Social Security Rights (ACCESS) in respect of a planned legal challenge to the amendment of the regulations promulgated under the Social Assistance Act governing eligibility for the child support grant.

During my employ as Chair in Human Rights Law at Stellenbosch University

2007: Assisted with preparation of *amici curiae* intervention of the Centre on Housing Rights and Evictions (COHRE) and the Community Law Centre in both the Supreme Court of Appeal and Constitutional Court in *Occupiers of 51 Olivia Road and Others v City of Johannesburg and Others* Case 2008 (3) SA 208 (CC).

2008: Assisted counsel in drafting heads of argument and presenting argument in the case of *Florence Mahlangu v Minister of Social Development and Another* heard in the TPD in March 2008 (extension of the child support grant to 18 years.)

2008 – 2009: Together with my colleague, Prof. Geo Quinot, I assisted in background research and drafting sections of the *amici curiae* submissions of the Centre on Housing Rights and Evictions (COHRE) and the Community Law Centre in the case of *Residents of Joe Slovo Community, Western Cape v Thubelisha Homes* 2010 (3) SA 454 (CC).

2010: Supervised postgraduate students working under auspices of Faculty's 'Hope Project' to conduct research for the Legal Resources Centre's Heads of Arguments in the so-called "Mud Schools case" involving the Nomandla, Tembeni, Madwaleni, Sibanda, Nkonkoni, Maphindela and Sompá Senior Primary schools near Mthatha in the Eastern Cape

2011: Drafted amicus curiae submissions on behalf of the Inner City Resource Centre in *Maphango v Aengus Lifestyle Properties (Pty) Ltd* 2012 (3) SA 531 (CC) (with postgraduate student assistance of Sue-Marie Maass and Shanelle V D Berg)
