

DIRECTIONS TO THE CENTRE FOR INVASION BIOLOGY

From Cape Town International Airport / N2

The distance from Cape Town International Airport to Stellenbosch is approximately 35 km. Follow the Airport Approach Road from the airport. Turn left following the “Somerset West” sign onto the N2 freeway. Turn off at Exit 33, labeled ‘Baden Powell Road/Stellenbosch’. Turn left onto the R310. Follow the road (approximately 23 km) until you reach a T-junction and turn right to Stellenbosch. Follow the road into Stellenbosch until you reach a second T-junction (immediately after you pass the railway station on the left). Turn left onto the R44/Adam Tas. At the second traffic light, turn right into Merriman Avenue.

At the pedestrian crossing traffic light (4th traffic light) you will see the entrance to public parking on the left and the boomed university parking on the right.

From Cape Town / N1

The distance from Cape Town centre to Stellenbosch is approximately 50 km. Follow the N1 freeway to Paarl. Turn off at Exit 39 ‘Stellenbosch’ and turn right onto the R304. Follow the road into Stellenbosch (it is now called Bird Street). Reaching town, turn left at the fifth traffic light into Merriman Avenue.

At the pedestrian crossing traffic light (4th traffic light) you will see the entrance to public parking on the left and the boomed university parking on the right.

Visitor's parking is also available at all locations indicated with a "P" on the map.
