CALLING ALL SCIENTISTS

Are you passionate about your science?

Can you **excite**, **intrigue** and **entertain** with a concept in science, mathematics, engineering or technology in under three minutes? Then FameLab is for you.

WIN GREAT PRIZES AND A TRIP TO THE UK!

“ FameLab gave me the opportunity to inspire and be inspired, the courage to communicate with the public and the bravery to share my passion for science. ”

Stevie Biffen

FameLab South Africa 2015 winner

International FameLab

TALKINGSCIENCE

WHAT IS FAMELAB?

FameLab is an international competition that gets people talking about science. It runs in more than 25 countries with an international final in the United Kingdom.

WHO CAN ENTER?

You can! ... if you are between the ages of **21** and **35** and currently registered, studying or working in **science, technology, engineering** or **mathematics** in South Africa.

WHAT CAN YOU WIN?

Semi-finalists win a **book voucher, Mail&Guardian online subscription and a two day master class** with an international trainer in March 2016.

The winner wins **R5000 and travels to the UK** to the international final in June 2016. Runners-up win **R2500**.
