

DEPARTMENT EDUCATION POLICY STUDIES

WHAT DO WE OFFER?

As a research-led department, our activities are informed by the following strategic orientations:

- Strong alignment and commitment to the vision and strategic objectives of SU.
- Integrating research, teaching and service.
- Cultivating inclusive and mutually respectful environments for staff and students.
- Advancing epistemic inclusion, integration and justice.
- Promoting a culture of critical deliberation and debate.
- Establishing impactful national and international networks.
- Locating the work of EPS as strongly aligned with democratic citizenship and social justice education.
